**SPECIAL PROGRAM:** "How to Cope With PMS on the Job"

**SPEAKER:** Lesley Schroeder, M.D., co-founder of the PMS Network. She will explain a holistic approach (including diet, nutrition and exercise) on how we can control our body's biochemical changes which are related to pre-menstrual syndrome.

This month we're going to try a new location due to the increasing attendance at our meetings. The Sierra Inn is a newly gay-owned hotel/convention facility. They will be serving a buffet with a choice of two hot entrees and a variety of salads, vegetables, and beverages. There will be a no-host bar (\$1.75 per drink). Cost of the dinner will be \$10.50 for members. (\$15.75 for non-members.) The Sierra Inn also provides a PA system. If we feel more comfortable there, we may make a six-month commitment to have our monthly meetings at the Sierra Inn. So let us know what you think about it.

Last month Roxanne Hardenburgh passed along many helpful hints on maximizing your deductions and tax credits. And Lu Hoge, a former IRS field agent, gave advice on how to avoid an audit and how to conduct yourself if you are audited. Great program! Thanks, Lu and Roxanne.
